

DAMAGE PROTECTION OPTION (DPR)

A 10% protection charge will be added per contract to all rental items (unless declined). Damage Protection will cover the first \$100.00 of broken or damaged equipment and 50% of any additional damage or breakage. The remaining 50% will be the customer's responsibility. As this is a damage protection, it will not cover the cost of lost or stolen items. This is because when items are missing, the replacement charges may be refunded if the item(s) are returned within 30 days of the closing date.

Customer's that chose to waive the damage protection on any rental contracts that exceed \$5,000.00 must provide proof of insurance covering the equipment rentals.

DAMAGE PROTECTION COVERAGE

Replacement costs will be covered for the first \$100.00 of damaged or broken equipment. An additional 50% of the replacement costs will also be covered for any damages exceeding the initial \$100.00 leaving the customer responsible for the other 50%.

EXAMPLE:

Damage protection paid for a barbecue on a contract is \$16.50. The barbecue was damaged on return with damage costs totaling \$1,000.00. The amount covered would be the first \$100.00 with the remaining damage (\$900.00) covered at 50%, leaving the customer responsible for half of the remaining \$900.00. Amount payable by the customer would be \$450.00.
